

# #KEEPUPWORKING

Promoting UP jobs, highlighting essential workers and answering questions on why it pays to work now

**YOUR  
WORK  
MATTERS**

**YOUR CAREER  
BEYOND COVID-19**

**UNCERTAINTY  
OF THE FUTURE  
JOB MARKET**

**TAKE ACTION**

We are at a crucial point in history. As a UP resident, you are the MOST important part of our #KeepUPWorking mission. If portions of our workforce elect to stay home for the next four months, the UP will not move forward in the way it urgently needs to. It is time to embrace the role you play in the bigger picture.

Companies are going to remember who worked hard during this time. There is no guarantee that your job will be the same after the COVID-19 pandemic, meaning you could be rehired into a lower position with lower pay, or not be rehired at all. Short term decisions now do not make rational long term decisions.

Now is the time to gain or retain a good opportunity. No one knows what the future holds or fully understands how the economy will bounce back from this crisis. It is possible that job opportunities may be scarce and the market will be flooded by thousands of candidates racing to get back to work at the same time. Don't wait. Stay ahead of the curve by securing a new position now or continuing to build your experience in the position you have.
