## What is Business After Hours

Business After Hours(BAH's) events are designed to help you make valuable business connections, entertain clients, reward employees, spend time with co-workers and most of all, enjoy doing it in some of Marquette premier locations.

Inexpensive and informal, these early evening events are held from 5:00 -7:00 p.m and are ideal for meeting fellow professionals and establishing long-lasting business relationships.

## Why your business should host a Business After Hours

There are a number of reasons why the Lake Superior Community Partnership thinks you should host a BAH. We highlighted some below:

- Amazing networking
- New marketing opportunities for your business
- You can highlight your employees
- Recruit new employees
- A way to treat your staff and loyal customers
- The possibility for increased revenue for your business
- They are fun!

## What to expect before your Business After Hours

For consistency and to avoid conflicts with other organizations' meetings, BAH's are held from 5:00 -7:00 p.m. on the second Monday of each month and the following week's Wednesday. The cost to sponsor a Business After Hours event is \$350. We require a \$100 down payment to reserve your date. Cancellations within 90 days of the event date will result in a forfeiture of the down payment.

- Different marketing opportunities
  - Before your BAH, the LSCP will send multiple eblasts about your event. There will be specific eblasts about the BAH, that include invitations to 2,200 people, but the event will also be highlighted in our newsletter and different LSCP communications.
    - Eblasts will include a link to the LSCP BAH event on our social media page, social media and website, with the ability to share facts about your business. Facts can include awards your business has received in the past, and events you will be hosting, the amount of people you employ, the organizations you donate to, etc.
    - On our social media, the LSCP will share your business logo, your posts about the BAH, and post multiple graphics inviting people to the BAH.
      - Some sample social media posts can be:
        - Join us and the (tag Lake Superior Community Partnership) for a Business After Hours on [DAY, DATE] from 5 until 7 p.m. This

will be a great chance for networking and we will have food and drinks from \_\_\_\_\_ and prizes including \_\_\_\_\_. We hope to see you there! #MQTCoBAH

- Business After Hours is TONIGHT at [LOCATION]! Join us from 5 until 7 for networking, refreshments and prizes including [LIST PRIZES]. #MQTCoBAH
  - Our social media includes Facebook, Instagram, and LinkedIn.
  - We will highlight your door prizes and food and beverage options in eblasts and on our social media.
  - Your BAH will be highlighted on the LSCP home page one week before the BAH begins
- Location and hors d'oeuvres
  - The event site should be able to accommodate an acceptable number of at least 150 guests and provide cash bar or beverages and hors d'oeuvres. It must be held at a partner owned location. Guest headcounts typically range between 60-200 people depending on many factors, IE: community interest, weather, conflicting events and host promotions.
  - The sponsor supplies hors d'oeuvres and a cash bar or beverages. Although the amount and type of food offered is up to the sponsor, you must utilize the services of an LSCP member. We recommend food choices to be finger friendly and be enough to serve 100 – 150 guests.
- Door prizes
  - Offering door prizes at the event is strictly at the discretion of the sponsor. The history of the event has shown that attendance generally increases when door prizes are promoted as part of the event.
  - Attendees can enter to win by dropping their business card off with LSCP staff at registration.
  - Once the event is over, the LSCP staff will create an attendee list for you with the business cards they received.

### **What to expect during your Business After Hours**

- Speaking opportunities
  - Halfway through the BAH, the LSCP will thank everyone for coming to the event. You will have the opportunity to talk about your business. You can highlight what your business is, how you navigated the COVID-19 pandemic, products you sell, etc.

- Promotional displays and materials at the event will help to make Business After Hours a marketing success
- P/A system
  - The use of a sound system is strongly encouraged for the event to ensure that all guests can hear your message during the presentation. Most facilities in Marquette County that are large enough to accommodate a Business After Hours have sound systems for patrons use, however, the partnership's portable sound system and speaker stands can be used at no charge.
- Set-up
  - The LSCP will have two staff members arrive at the event about 30 minutes before to set up and will need a table, two chairs and a waste paper basket near the entrance where guests will be arriving. Make sure hors d'oeuvres and refreshments are ready for the 5:00 pm arrival of guests.
  - The partnership will provide nametags and business card drop supplies for the event
- 50/50 Drawing
  - The LSCP will run a 50/50 drawing during the event. Proceeds from the drawing will be used to help offset the partnership's expenses and support programming.

### What to expect after your Business After Hours

After the event, the LSCP will highlight your business in our partner eblast, with links to your business's social media and website. An example can be found below.

### Cost Saving Hint:

A great way to help offset the cost of hosting a reception would be to get a fellow business to co-sponsor the event with you. You could split the costs or one sponsor could take care of the food and the other sponsor could take care of the beverages.
