

## Career & Job Opportunities with the Radio Results Network

We are always interested in creative, dependable people. Please send your resume or letter to express your interest in being a part of our team. If you would like to work in the fast-paced world of media and advertising...then this is the right situation for you! Positions that are often available include...

### Account Executive

Want to be a part of the most dynamic media sales team in Upper Michigan? A full time Account Executive can be based in either Escanaba, Marquette, Manistique or Iron Mountain offices. Both inside and outside sales positions are available. We are looking for a highly motivated sales performer with ambition, passion and creativity. Experience is preferred, but we are willing to train the right person. Our sales professionals work closely with local businesses to create successful and effective marketing campaigns.

### Studio Board Operators

Interested individuals will be responsible for the smooth broadcast of local live events and sports broadcasts. You will work in the studio directly with our team of engineers and broadcasters to ensure we have professional and successful broadcasts. This is an excellent part time opportunity to start your career in broadcasting with flexible hours and the opportunity to move into a full-time role.

If you are interested in any of these positions, simply submit your cover letter and resume via email to [Hiring@RadioResultsNetwork.com](mailto:Hiring@RadioResultsNetwork.com)
