

# DIRECT GRANTS TO SMALL BUSINESSES

## OVERVIEW

The Central Upper Peninsula Small Business Support Hub (The Hub) was established by the Lake Superior Community Partnership (LSCP) and 6 (six) strategic partners via the Michigan Economic Development Corporation's (MEDC) Small Business Support Hubs Program (SBSH). The mission of The Hub is to connect small businesses within a seven-county area to the right resources at the right time to maximize their resiliency, sustainability, and growth potential.

\$426,315 of The Hub's SBSH funding is allocated to supply Direct Grants to The Hub's small business participants, provided the funding drives stabilization or increases revenue and fills a need that cannot otherwise be met through a Hub program or service.

## ELIGIBILITY FOR THE SBSH PROGRAM

To receive support and services from a SBSH Hub, a business must qualify as disproportionately impacted by COVID-19 and be defined as a small business. Non-profit organizations and businesses within the cannabis or casino gaming industries are not eligible.

All Rural Michigan Counties have been designated as disproportionately impacted by COVID-19. Because Baraga, Delta, Dickinson, Marquette, Menominee, Alger, and Schoolcraft Counties are all Rural Counties, the small businesses in The Hub's seven-county coverage area, including start-ups, will qualify.

### SMALL BUSINESSES ARE DEFINED AS THOSE THAT ARE:

- independently owned and operated; THAT
- have less than 500 employees; AND
- are not dominant in their field of operation

## ELIGIBILITY FOR THE HUB'S DIRECT GRANTS

To be eligible to apply for a Direct Grant, a business must:

- Meet SBSH Program eligibility guidelines; AND
- have participated in The Hub's events, or services within the six months before the award;

## DIRECT GRANTS MAY BE USED FOR

- the purchase of equipment, inventory, software, and hardware up to \$4,999 per unit;
- to pay for highly specialized consulting services, or services The Hub cannot provide or contract for;
- to pay certification or licensing fees (by 9/30/26)
- any other Hub-approved cost (that is not an Ineligible Cost) related to supporting the business' operations or growth needs
