THE HUB

Central U.P. Small Business Support

The Lake Superior Community Partnership (LSCP) serves as the coordinating partner for the Central U.P. Small Business Support Hub, a collaboration of seven strategic partners. The Hub coordinates and expands access to small business support resources throughout its seven-county region.

This project supported by federal award number [SLFRP0127] awarded to Lake Superior Community Partnership by the U.S. Department of the Treasury.

MEDC SBSH Grant Award

\$3,426,316 awarded to LSCP and six strategic partners; comprised of two components:

- **\$3,000,000** for hub development and strengthening, program development, and service delivery
- **\$426,316** for direct grants to eligible program participants

All funds must be expended by September 2026

The Hub: Goals & Objectives

1. Enhance support and extend existing resources and services into underserved areas of The Hub through:

- Strategic Partnerships
- Staff - four Small Business Resource Navigators
- Partnering with local resource agencies
- The Hub's Direct Grants to small businesses

The Hub: Goals & Objectives

2. Serve 300 unique eligible small businesses each year.
3. Deliver tailored programming in each County at least once per quarter.
4. Work to ensure the strength of the small business ecosystem attained through The Hub will be sustained well beyond the end of the grant funding period.

Is Your Business Eligible to Participate?

MEDDC SBSH Requirements

1. **Must be a Small Business:**

- independently owned and operated, THAT
- has less than 500 employees, AND
- is not dominant in their field of operation

-AND-

2. **Must Qualify as Disproportionately Impacted by COVID-19:**

- Rural counties are designated as disproportionately impacted by COVID-19
- All seven counties in The Hub are considered rural.
- Thus, any small business within them, including a start-up, qualifies

NOTE: Non-profit corporations and businesses in the cannabis or casino gaming industries are not eligible to participate.

Eligibility for The Hub's Direct Grants

To be eligible to apply for a Direct Grant, a business must:

1. Meet MEDC SBSH Program eligibility guidelines; AND
2. Have registered for and participated in one of The Hub's events, programs, or services within the six months prior to the award

Direct Grant Usage

- Purchase of equipment, inventory, software, and hardware up to \$4,999 per unit;
- Pay for highly specialized consulting services, or services The Hub cannot provide or contract for;
- Pay certification or licensing fees (by 9/30/26)
- Any other Hub-approved cost (that is not an Ineligible Cost) related to supporting the business' operations or growth need*

**Provided the funding drives stabilization or increases revenue and fills a need that cannot otherwise be met through a Hub program or service.*

Direct Grants may *NOT* be used for

- General overhead: rent, lease payments, or utilities
- General infrastructure projects
- Building-based construction or renovation (i.e., any activity that disturbs the ground or modifies a structure)
- Expenditures/purchases completed prior to the date the grantee receives an award.
- Expenditures that have been or will be reimbursed by the MSF, MEDC, or any other federal program
- Projects contrary to efforts to stop COVID-19

*****A business may only receive one SBSH Direct Grant!***

Direct Grants – The Hub's Requirements

- Goals clearly defined and focused
- Project likely to improve business' sustainability
- Proposal is sound, detailed, and achievable by September 2026
- Reimbursement type grant funding - business purchases items as approved in their award and submits all receipts for a single disbursement check.

**Ingenuity and adaptation (to economic and environmental factors) encouraged.*

***Note: The Hub Advisory Council may recommend funding be awarded in an award amount less than that requested in the application.*
