LAKE SUPERIOR COMMUNITY PARTNERSHIP

INVESTMENT PACKAGE

The Lake Superior Community Partnership (LSCP) is Marquette County's leading resource for economic development. With your investment, the LSCP is able to provide a wide variety of affordable and effective development services, facilitate access to funding programs, and provide and identify opportunities, solutions, and recommendations for growth to Marquette County businesses. The LSCP helps our partners make the connections that matter – between businesses, organizations, leaders and legislators, and provides a powerful legislative voice for programs and policies that strengthen our regional economy.
